RE: Required Submission of Information
Lower Darby Creek Area Superfund Site - Clearview Landfill, Folcroft
Landfill and Folcroft Landfill Annex

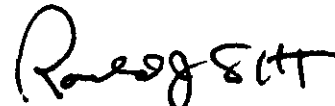

Dear Mr. Nishitani:

This correspondence is written in furtherance of our telephone discussion of September 30, 2002 regarding the August 9, 2002 U.S. Environmental Protection Agency ("EPA") required submission of information issued pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended. This will confirm that EPA has granted to Wyeth an extension of time up to and including October 31, 2002 to file its response to the EPA.

If this is not in accord with your understanding, please advise us immediately.

Thank you for your attention and the courtesies extended in this matter. If you have any questions in the interim, please feel free to contact me at your earliest convenience.

Very truly yours,

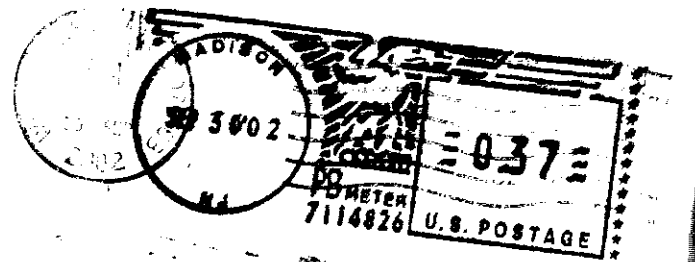

Ronald J. Schott
